PROFESSIONAL EXPERIENCE

Jimmy Lim Design | Singapore, Penang, Kuala Lumpur | Aug 2015– | **Architectural Assistant**

- Assisted with the design of a 3-acres boutique beach resort (78 rooms) in Cherating, Pahang, Malaysia. Performed digital translation of design ideas into concise presentation materials.
- Served as accompanying architectural assistant for various residential projects in Malaysia, including site visits and meetings with clients.
- Managed JLD website independently.

Cendes + TenArchitects & Planners | Oct 2014–Apr 2016 | **Part-time Architectural Assistant**

- Assisted with a design consultancy project on a proposed redevelopment master plan for Malé, Maldives, in the creation of a comprehensive report, including site mapping and analysis with local authorities in Malé in March 2015.
- Assisted with the collation of research materials and the creation of presentation materials in Mandarin for a Traditional Chinese Medicine (TCM) Medical Centre in Fushun City, Zigong County, China.

TenArchitects | Feb–Sep 2014 | **Pre-M.Arch. Year Out Architectural Intern**

- Assisted with the design and presentation of numerous residential, industrial (Pokka factory, Mayson Bakery factory) and commercial projects in Myanmar and Singapore and designed the rooftop facilities of the Car Park Building in *Maha Bandula City* project (Yangon) independently.
- Served as architectural assistant to site visits for projects in Singapore, including collecting clients' feedbacks and dealt with vendors and contractors to ensure fulfilment of follow-up requirements.

URBNarc | Aug, Dec 2013 | **Part-time Architectural Intern**

- Compiled design process report for Nepal ITC Hotel Competition entry to guide architect as a reference for future presentations.
- Collaborated with architect in designing a gatehouse for *Raheja Residential* project (Bangalore).

Southeast University (东南大学) Architecture Design and Research Institute | Nanjing, China | May–Jun 2010 | **Architectural Intern**

- Collaborated with other architects in the form exploration and design of television towers.

Agence Architecture Lebleu Batailley | Saint-André-de-Cubzac, Gironde, France | May–Jun 2009 | **Architectural Intern**

- Collaborated with lead architect via hand drawings in the design and modifications of residential projects: renovations, extensions and improvisations in wheelchair-accessibility.
- Served as architectural assistant in meetings with clients and learned about communication of design decisions with clients.

EDUCATION

National University of Singapore | Class of 2015 | **M.Arch and B.A. (Arch) graduate**

- Master of Architecture: Specialization in Design, thesis project dealt with the addition, improvisation and expansion of play spaces in public housing in Singapore (2015).
- Bachelor of Arts in Architecture (Honours): Specialization in Design (2013).
- Selected into NUS Suzhou Research Institute (NUSRI in Suzhou, China, Feb–Aug 2013) from NUS China Design Studio (CDS), and lived in Suzhou, China for 6 months while studying at Suzhou University and NUSRI. Developed dissertation and fourth-year design project based on an analysis of selected Chinese railway stations.
- Selected into NUS University Scholars Programme (USP), a multidisciplinary academic programme that accepts only 3% of each undergraduate cohort.
- Selected into competitive 2-year French Language Preparation Programme (French LPP).
- Selected into Overseas Enrichment Programme (OEP) in Hong Kong (May–June 2012) with Tongji University and Washington University in St. Louis, a 6-weeks programme involving architectural visits, analyses of Hong Kong and the creation of a report.

Anglo-Chinese Junior College | Class of 2006
